0.6 miles | 11 min

## Drinks (no food)

### **The Ale and the Witch / Wine Madonna**

111 2<sup>nd</sup> Avenue NE  
0.4 miles | 9 min

## LOCAL INFORMATION

### Street Orientation

Streets in St. Petersburg, FL are mostly on a numbered grid. Avenues go East-West and Streets go North-South. Avenues are numbered to the north and south starting at Central Avenue, so there is a 1st Ave N and a 1st Ave S, and so on. Note: 1st Ave N and 1st Ave S are different roads, as is any other number pair of Avenues. Streets are numbered from the east to west, so 1st St is near Tampa Bay and numbers go up as you travel towards the Gulf of Mexico. Streets are the same road, whether north or south.

Street parking is abundant downtown, and often metered.

### Gas Stations near Tampa Airport

Gas can be hard to find near Tampa Airport when coming from St. Petersburg. You may want to ask the rental car company where they recommend when you pick up a vehicle, but here are two options:

Both gas stations: Take I-275 Exit 39 for the airport, which is just at the end of the bridge/causeway. After you cross over the highway on the exit ramp, stay to the right to merge onto W Spruce St./Rt. 616.

a) From W. Spruce/Rt. 616, turn right on Westshore Blvd (Rt. 587), proceed about 4-5 blocks, at the intersection with W. Cypress there should be a Shell station on your right.

b) Little farther: From W. Spruce/Rt. 616 (note - it changes names pretty quickly around there; it's also W. Boy Scout for a while when it curves north), turn right on N Dale Mabry Hwy/Rt 92. There should be a Marathon on the right several blocks down at the intersection with Spruce.

To return: Go back to W. Spruce St./Boy Scout/Rt. 616, turn left, follow the signs to return to the airport (should be George J. Bean Pkwy).
