Call for Tool Demonstrations

The Gulf of Mexico Alliance (GOMA) is requesting submissions for the 2020 Tools Café to take place at the GOMA All Hands Meeting in Biloxi, Mississippi. Submissions are requested from any GOMA partner interested in sharing more about their online or paper-based tool(s). Please see below for additional information on criteria and format guidelines for demonstrations.

Submissions are due via email to Dave.Reed@MyFWC.com by COB on Thursday, April 30, 2020. You will be notified of acceptance by Friday, May 8, 2020. Presenters of accepted tools will be required to register and pay the meeting registration fee (\$160). If you are registered as an All Hands attendee, Tools Café registration fees are included. Presenters will also be responsible for providing their own monitors or will have the option of renting various size monitors from the hotel. The Tools Café is scheduled to run from 5:30-7:30 p.m. and we will ask presenters to be available for demonstrations throughout the duration of the event. Therefore, presenters may wish to have more than one person working their table to share the responsibility during the cafe.

Tool demonstrations may not include marketing or advertising propaganda. The Tools Café is intended to be an interactive experience where participants learn how the tool works and have an opportunity to ask questions or walk through a demonstration of tool functionality.

Submissions should detail tools applicable to one or more of the following GOMA Priority Issues or Initiatives:

- Coastal Resilience
- Data & Monitoring
- Education & Engagement
- Habitat Resources
- Water Resources
- Wildlife & Fisheries
- Conservation, Restoration, & Resilience Planning
- Ecosystem Services
- Marine Debris
