

# Virtual Tools Cafe

Sponsored by

It's tool time with Dave!

Join us the second and third Tuesday of the month at 2:00pm central to learn about the latest tools and resources for the Gulf of Mexico. Dave Reed, Data and Monitoring Team Co-Chair, will be our host!

## **November 10th**

The Watershed Game Coast Model

Karen Bareford, Mississippi-Alabama Sea Grant Consortium

CPRA's Master Plan Data Viewer

Ashley Cobb, Louisiana Coastal Protection Restoration Authority

The Southeast Aquatic Barrier Prioritization Tool

Kat Hoenke, Southeast Aquatic Resources Partnership

## **November 17th**

The COASTAL Act Wind and Water Event Database (CWWED)

Stephen Del Greco, University of Colorado

Resilience Dialogues Toolkit

Chris Feurt, Wells National Estuarine Research Reserve

ShoalMATE (Shoal Map Assessment Tool for EFH)

Deena Hansen, BOEM
