Call for Tool Demonstrations

The Gulf of Mexico Alliance (GOMA) is requesting submissions for the 2023 Tools Café to take place at the GOMA All Hands meeting in Austin, TX. Submissions are requested from any GOMA partner/stakeholder interested in sharing more about their online or paper-based tool(s). Please see below for additional information on criteria and format guidelines for demonstrations. Spaces will be filled on a first come, first served basis.

Submissions are due by COB on Friday, April 28th, 2023. You will be notified of acceptance by Tuesday, May 16, 2023. Presenters of accepted tools will be required to register and pay the conference registration fee (\$175). If you are registered as a GOMA All Hands attendee, Tools Café registration fees are included. Presenters will also be responsible for providing their own monitors or will have the option of renting various size monitors from the venue. The Tools Café is scheduled to run from 5:30-7:30 p.m. and we ask presenters to be available for demonstrations throughout the duration of the event. Therefore, presenters may wish to have more than one person working their table to share the responsibility during the café.

Tool demonstrations may not include marketing or advertising propaganda. The Tools Café is intended to be an interactive experience where participants learn how the tool works and have an opportunity to ask questions or walk through a demonstration of tool functionality.

Submissions should detail tools applicable to one or more of the following GOMA Priority Issues or Initiatives:

- Coastal Community Resilience
- Data & Monitoring
- Habitat Resources
- Education & Engagement
- Water Resources
- Wildlife & Fisheries
- Integrated Planning
- Human Benefits of Nature
