Call for Tool Demonstrations

The Gulf of Mexico Conference (GoMCon) is requesting submissions for the 2024 Tools Café to take place at the Tampa Convention Center in Tampa, Florida. Submissions are requested from any Gulf of Mexico stakeholder interested in sharing more about their online or paper-based tool(s). Please see below for additional information on criteria and format guidelines for demonstrations. Spaces will be filled on a first come, first served basis.

Submissions are due by COB on Monday, January 16th, 2024. You will be notified of acceptance by Friday, January 19, 2024. Presenters of accepted tools will be required to register and pay the conference registration fee (\$250). If you are registered as an GoMCon attendee, Tools Café registration fees are included. Presenters will also be responsible for providing their own monitors or will have the option of renting monitors from the venue. The Tools Café is scheduled to run from 5:30-7:30 p.m. and we ask presenters to be available for demonstrations throughout the duration of the event. Therefore, presenters may wish to have more than one person working their table to share the responsibility during the café. One tool per table.

Tool demonstrations may not include marketing or advertising propaganda. The Tools Café is intended to be an interactive experience where participants learn how the tool works and have an opportunity to ask questions or walk through a demonstration of tool functionality.

Submissions should detail tools applicable to one or more of the following GoMCon Themes:

- Advances & Priorities for Data Management
- Climate Impacts
- Communication & Engagement
- Emerging Issues
- Enhancing Resilience
- Habitat Protection & Restoration
- Integrated Science, Practice, & Policy
- Living Resources
- Water Resources, Quality, & Quantity
